A leading FinTech; the *pioneering solution* that's got it all.

NAGA is the single solution that's got it all: Trade, Earn, Invest, Acquire, Pay, Connect. It was built from ground up on the foundation that every single person should be able to take control of their own wealth.

NAGA's offerings go far beyond those of a brokerage, and far beyond those of just a social trading platform. It has developed an entire ecosystem that unifies trading, investment, and personal finance activities.

$24billion monthly trading volume

600,000 registered users

8 product categories

It's all about the *trader*

An entire system of integrated financial products and services created around the precepts of community and social trading;

- Completely community-oriented
- Proprietary trading platform
- Self-learning news feed; customised content based on trading behaviour
- Inbuilt social trading, crypto wallet & exchange, asset management and banking portal

An award winning trader experience

Finnovate Europe 2016 – Best of Show
Finnovate Europe 2016 – Presenter
Finnovate Spring 2016 – Presenter
2017 Red Herring 100 Europe Winner

All Social Like the Facebook for Finance

The power of NAGA lies in the essence of social trading. NAGA's focus and pivot points are community; the socially-enhanced trading and investing experience is the cornerstone of the all-in-one system that provides users a better way to trade, invest, and connect.
