PARTNERS PROGRAM RULES

General Rules

We are happy to be your partners. To make our collaboration official and ensure our efforts are streamlined, please find below a set of rules we go by as a company.

First things first. By entering into this collaboration, you commit and are expected to provide true, accurate and complete information to the Company.

While we trust your professionalism and expertise, given the size and complexity of our business we will expect you to consult us a.k.a. “the Company”, and attain written approval from our end before publishing any marketing material relating to the functionality of the Company, the Group, its products or services.

You are not permitted to alter any of the marketing material provided by the Company. In circumstances where you intend to alter the Company’s information and/or marketing material, you shall need to obtain additional approval from the Company, in order to proceed with the relevant changes. /Furthermore, whatever

In the event you make use of any marketing material not approved by the Company, the Company shall have the right, in addition to any other rights remedy available under the Applicable Laws or the Online Affiliate Program Agreement to render the Tracking URL(s) assigned to you, to immediately block access to the Program and deny any Commission.

You are not permitted to use the Company’s, or the Group’s, Logo or any other intellectual property of the Group in any correspondence, business card or electronic transition, unless authorized to do so by the Company in writing.

You shall use NAGA’s intellectual property in a lawful manner and in strict compliance with all format(s), guidelines, standards and other requirements prescribed by the Company.

NAGA's intellectual property remains the sole property of the Company and nothing in the Online Affiliate Program Agreement shall confer you any right of ownership in the NAGA's intellectual property and all use thereof by the Partner shall be to the benefit of the Company.

You shall not, now or in the future, attempt to register any of the Company's intellectual property and/or domain name and/or contest, or use any term or mark confusingly similar to any of the Company.

Below is a guideline checklist of the main rules that should be followed in any financial promotion on your affiliate marketing channel:

1

Always include the following "By Default" risk disclosures, in marketing materials:

Risk Warning: Trading Derivatives and Cryptos carries a high level of risk to your capital and you should only trade with money you can afford to lose. Trading Derivatives may not be suitable for all investors, so please ensure that you fully understand the risks involved and seek independent advice if necessary.

Trading with NAGA Trader by following and/or copying or replicating the trades of other traders involves high levels of risks, even when following and/or copying or replicating the top-performing traders. Such risks include the risk that you may be following/copying the trading decisions of possibly inexperienced/unprofessional traders, or traders whose ultimate purpose or intention, or financial status may differ from yours. Before making an investment decision, you should rely on your own assessment of the person making the trading decisions and the terms of all the legal documentation.

NAGA Global Ltd does not accept applications United States of America (residents and citizens, including its incorporated and unincorporated territories), Belgium, Canada (including Quebec & Ontario), the Republic of Turkey, Japan, Brazil, the Islamic Republic of Iran, Democratic People's Republic of Korea (DPRK), Cuba, Sudan, or Syria, as well as any additional country specifically excluded by the Company from time to time at its sole discretion.

2

Always ensure that the above risk disclosure is always updated, upon the Company's request.

3

You shall include the following: "Past Performance is not an indication of future results"

4

The above disclaimers must be disclosed, at all times, separately from other risks.

5

Always be up to date with the Company's functionalities. NAGA's Ecosystem is changing to ensure that it satisfies the needs of its clientele.

6

Always use the correct information in your reviews/ marketing material and maintain them updated with the Company' Fees and Commission, Risk Disclosures, Regulation and Licensing and Deposit and Withdrawal Policy, Top Traders, about NAGA and Investor Relation.

Leading Compliance Principles

You shall always be fair, clear and avoid misleading statements:

FAIR

The Company expects that you shall not use misleading headlines and unfair comparisons.

You shall not use small prints to understate, hide important information and warnings.

You shall ensure that all warnings and disclosures are displayed in a clear and visible way.

Never promise profits or gains.

CLEAR

You shall always be clear about any charges, fees, or risks.

AVOID MISLEADING STATEMENTS

Ensure that all statements do not emphasize on the benefits associated with a product without also disclosing and highlighting the relevant risks.

You shall not use any unqualified or absolute statements, without the relevant supporting evidence.

You shall always disclose the relevant source as to where the information is taken from.

You shall not include the name of any competent authority in a manner that would imply or suggest endorsement or approval by that authority of the products or services offered by the Company.

7

You shall not approach, directly or indirectly, any traders and/or potential traders other than promoting the Company.

8

You should always mention in the affiliate marketing channel that NAGA Global Ltd (hereby referred as the "Company" or "NAGA") is a company incorporated under the laws of Saint Vincent and the Grenadines as an International Business Company with Registrations No. 24501 IBC 2018.

9

Any new communication channels and any relevant requests should be immediately communicated to the Affiliate Account Manager and should be pre-approved by the Company.
